A Very Special Mooresville Tradition.

For 80 years, the Mooresville Christmas Parade has been organized and managed, *not* by the Town of Mooresville, but by a small team of community volunteers who generously lend their time and talents to this Mooresville tradition.

Live a Meaningful Vibrant Life.

You're doing it right now by settling in to enjoy a small town Christmas parade with your loved ones. Be warm, stay safe, and have fun this holiday season.

The Basics

Date: Tuesday, November 26

Begins: 3:00 pm

Length: Approx. 2 hrs.

Route:

Starts at Statesville Ave. & Main St.
Ends at Merino Mill

Viewing Strategies

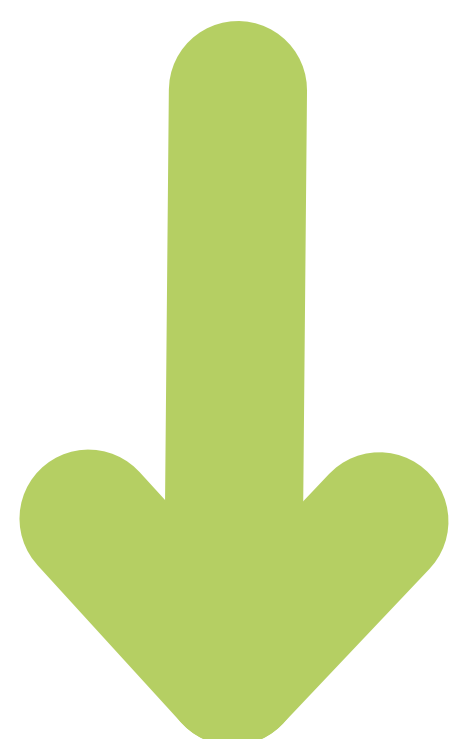

Everyone has their favorite spot to watch the parade from.

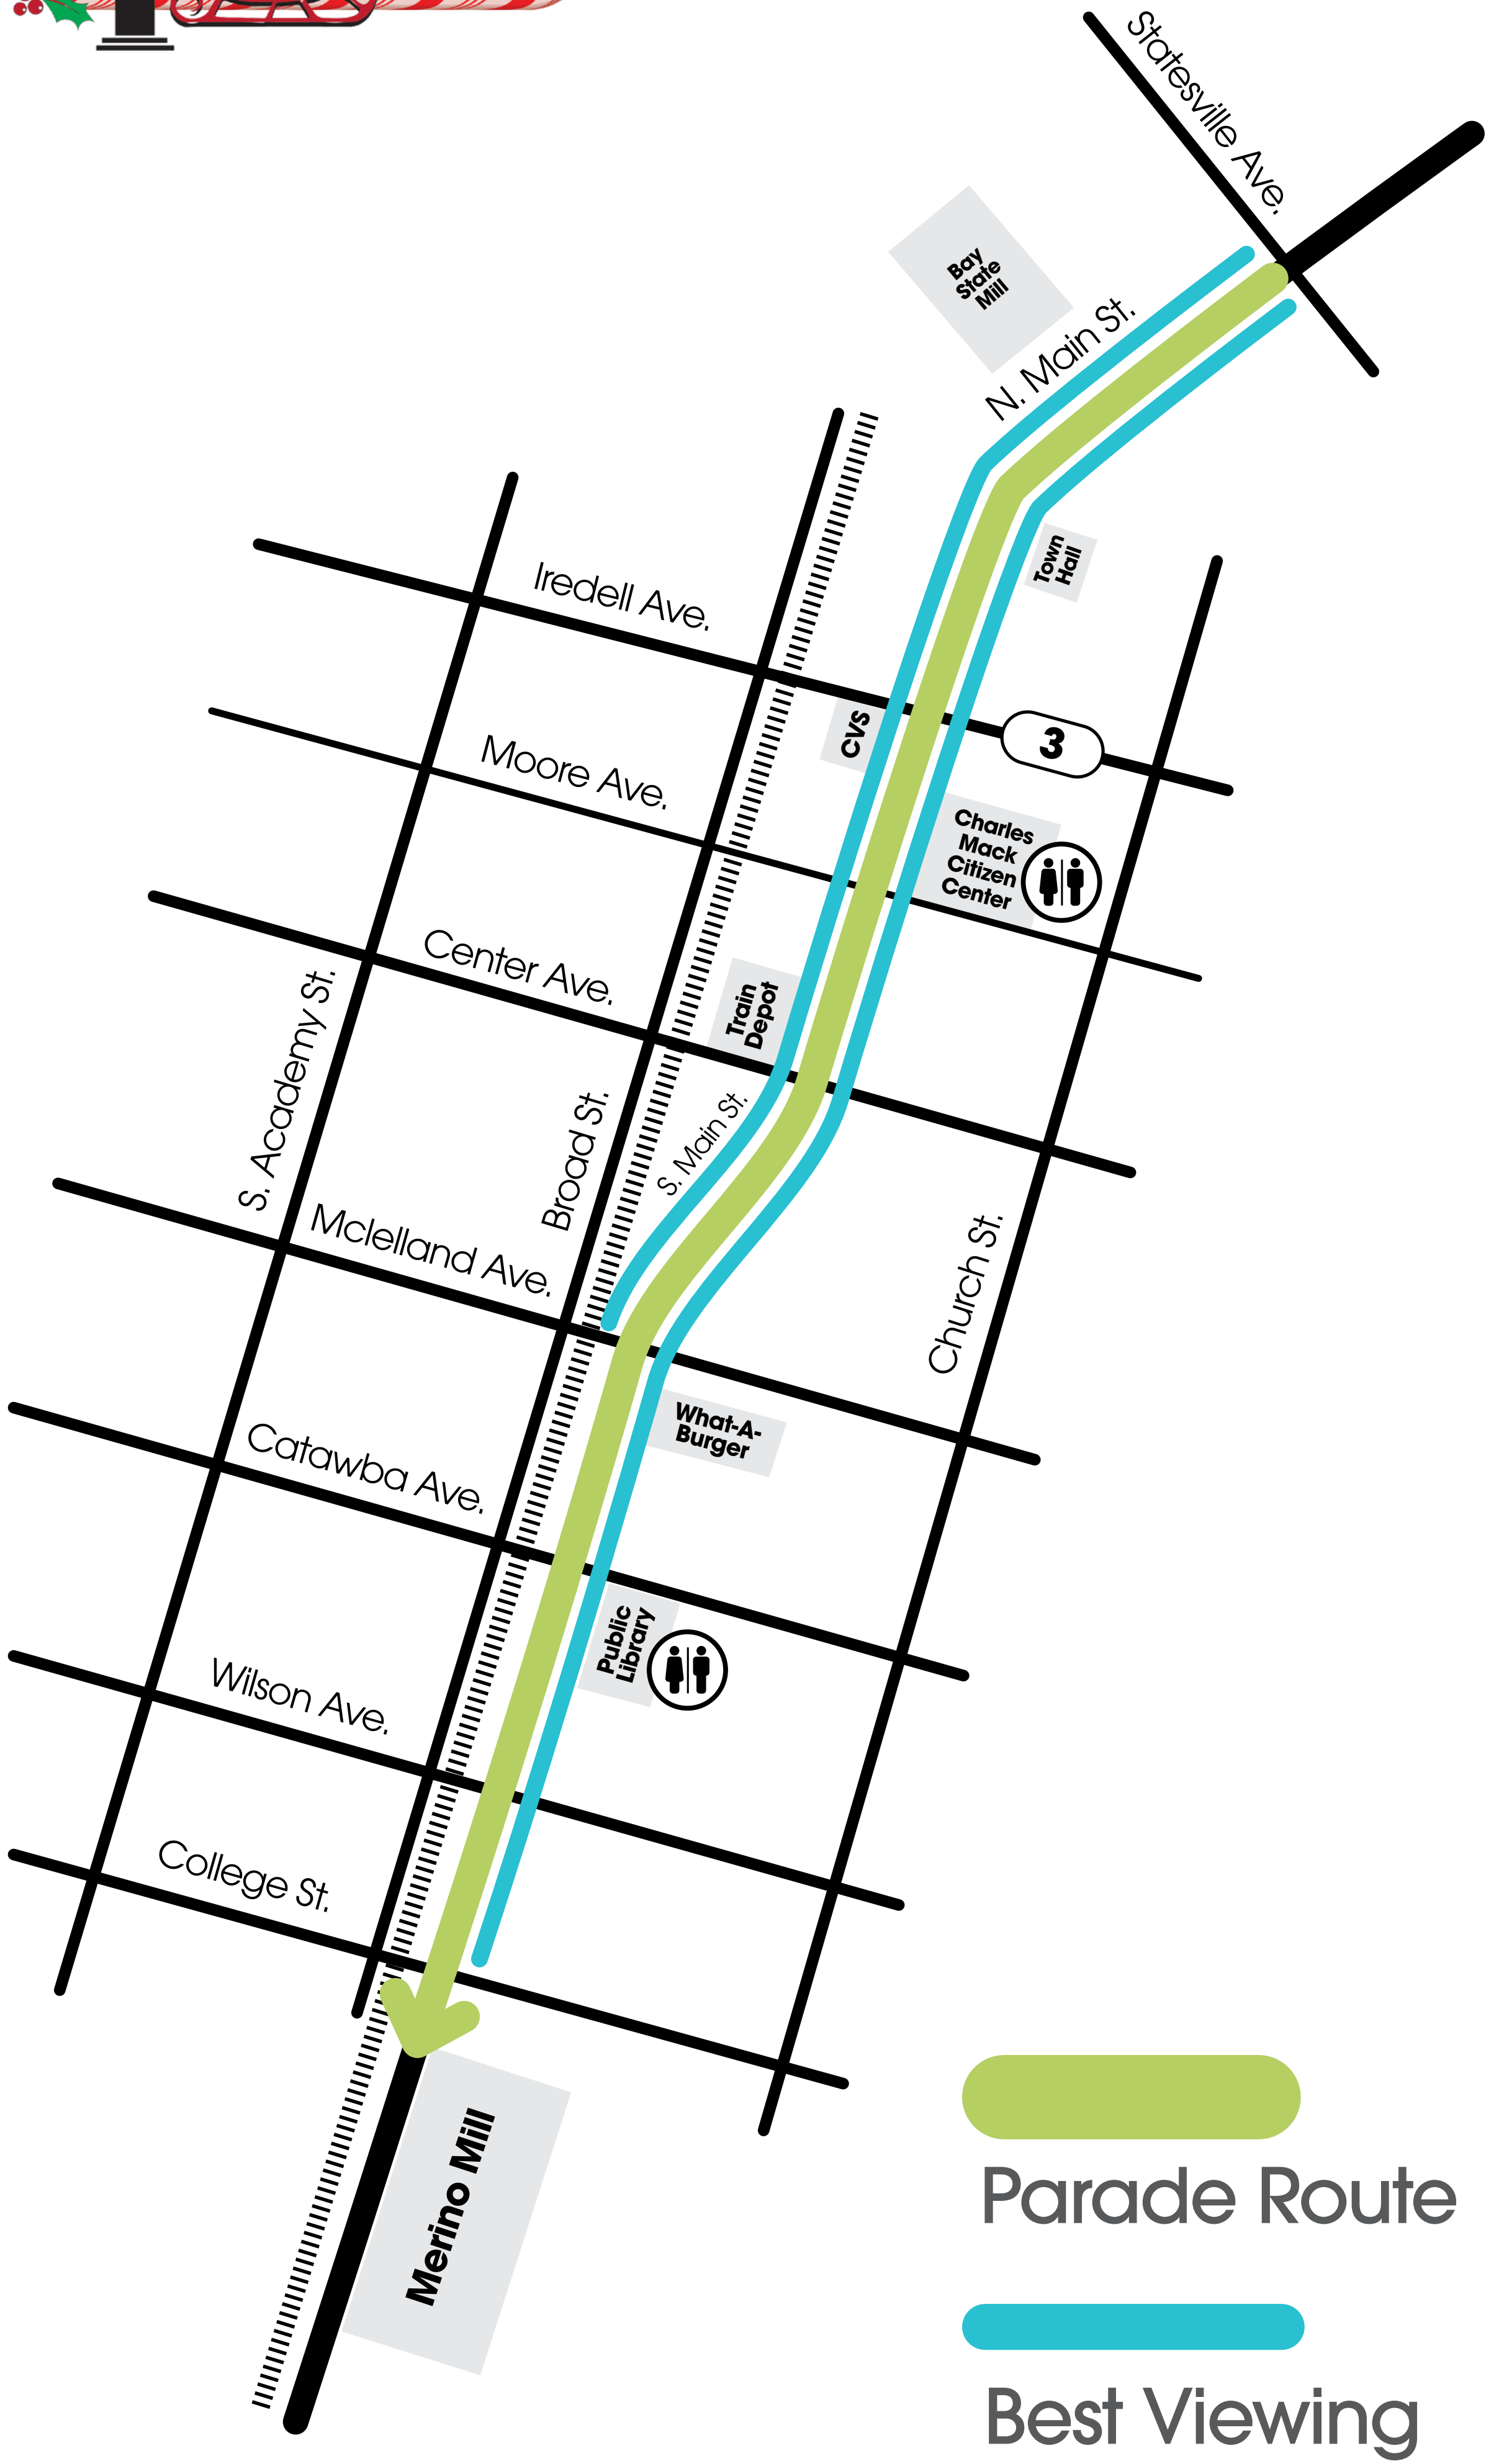

Some prefer to watch the parade reveal itself from the gentle curve by Town Hall.

Some enjoy seeing it pass across the comfy backdrop of historic buildings.

And some like the extra elbow room that a spot along South Main provides (and the close proximity to Alino's Pizza after all that ho-ho-ho'ing).

Whatever your preference, here's a map to all the possibilities...

Expert Tips

Since 1944, we've learned a thing or two about how to make the most of this fun event...

- **Pick a side!** If you haven't heard, the Grinch has been on the loose making trouble in Mooresville for Santa. [Tap here see the videos.](#)

If you're on Team Santa, come to the parade wearing RED!

If you're more of a Team Grinch person, come wearing GREEN!

- **Arrive early!** Folks come early to stake out their spots for a reason – easy parking, less congestion, and so many restaurant choices to pass the time in.

Expert Tips Cont.

- **Park like a neighbor.** There are few public lots Downtown, but lots of street parking in our historic residential areas close by. Be a good neighbor and please do not block driveways.
- **Look to parade volunteers** for information and assistance. And please be nice, they're your neighbors.
- **When you gotta go...** you know the rest. Public bathrooms are available in Town of Mooresville buildings (Charles Mack Citizen Center, Public Library), but if you have no other choice, please respect our local mom-and-pop businesses and be their customer before you use their facilities.

Expert Tips Cont.

- **Please keep your** watching party (including pets and children) on the sidewalk and off the street/parade route for everyone's safety.
- **At parade's end,** please leave your watching spot cleaner than you found it. Trash receptacles will be available all along the parade route.
- **Be calm & be safe!** Neighbor, any parade environment can be hectic. On arrival, please take a deep breath, go slow, and watch for scampering pedestrians and volunteers who are there to help you. :-)
- **HAVE FUN!!!**
